3. REPORTS AND COMMUNICATION

- 3.1** Superintendent Update – Craig Guensler
Superintendent Guensler reported that the Relay For Life starts tomorrow. Current totals are over \$63,000. The District Team leads with over \$13,400 in donations.

The next few weeks will be very busy with events. Mr. Guensler asked the Board to check the event schedule and attend the events that they are able to. The Board will be handing out diplomas at the 8th Grade Graduation.

Mr. Guensler reminded the Board that we have a larger than average list of 8th grade students that are not meeting the grade requirements to participate in the 8th

grade promotion ceremony. The school Admin has contacted the families multiple times and have offered help. In case the Board receives calls, there are no surprises here and the parents have been made aware.

The Preschool Promotion ceremonies will be happening at the same time this year. Mr. Guensler said that it would be great if we could split up again, so there will be representation at both sites.

Jodie Jacklett is scheduled for surgery tomorrow. Heather Slauzis is the teacher in charge and will be there for the smaller things. Mr. Guensler stated that he will be available also. Mr. Guensler will be attending the IEP's and will be at their events to supervise and announce.

Mr. Guensler reported that he has been pushing to get another County Program on our site at Bear River for 4th -6th grade students. They currently have to go to Ella. Today he was told that we will indeed get that program. This will be good for our kids and save us on transportation costs.

Mr. Guensler attended the track meet this week. This is the meet that the County used to put on. In an effort to keep the meet going, Angela and Dawnita offered to run the meet. So, we have taken it on the past few years. It has gone very well. Our grade level teams did exceptionally well as we had four 1st place finishes and two second place finishes.

Brenda Harter and Mr. Guensler attended the Governor's May Revise budget workshop this week. At this point it looks like education will have stagnant funding. No increase. No decrease. The actual State Budget will not be released until June 15th.

CVT insurance rates just came in. There will be some increases in insurance premiums. Not great news.
