2. AGENDA ITEM

[2.1 – Closure of Schools for the Remainder of the 2019/20 school year – Guensler](#)

Superintendent Guensler reported even if the District wanted to reopen school for the last couple of weeks, the government would not allow it.

The school sites will come up with a plan to collect computer/textbooks and allow students to pick up personal items.

Diplomas will be prepared at Bear River for the 8th grade students and sent to the board members for their signatures.

Teachers will be filming who would have received awards and are working on video clips.

Distance learning will continue through May 22nd.

The Governor stated in a briefing last week, schools could reopen in late July or early August. Given our early start date in August, we will proceed with our planned calendar for 2020-2021. This statement was probably directed towards Districts who typically start school after the Labor Day holiday.

The next board meeting will be held on Thursday, May 21, 2020 and will again be made available via Zoom.

It was MSCU (Eaton-Medina) to approve this Action Item
